Interviewer : How many days does it take to clear a largelake ?

ArunKrishnamurthy : Depending on the size of the lakeand the amount of garbage, it can take anywhere between 5 days and 3 months to completely clean a lake. We have our tools like rakes and spades. We also use heavy machinery like earth movers and poclain to desilt the lake and clear the weeds and shrub that are harmful.

Interviewer : What is your opinion, can children and young adults do for the environment ?

ArunKrishnamurthy : Firstly, we should all stop throwingtrash outside our homes. Next, we should reduce the amount of trash we generate straws, tissues, wrappers, batteries, fast food junk, all these end up in lakes and they come from our homes. If we can reduce the amount of garbage at home and if we can dispose all garbage safely, that itself is a greatdeal.
